Newark 2, New Jersey

Dear Mrs. Manley:

I received your letter today in regard to a baseball game between this Post and the Newark Eagles. The date which you suggested meets with our approval and the game will start at 6:00 p.m. because I believe at that time we will have plenty of daylight to finish a regulation ball game and too, most of the Enlisted personnel will be off duty and have had their dinner.

I would appreciate you sending me a list of the people who will make the trip to Fort Dix at your earliest convenience and in coming into the camp I would suggest coming through the main gate at Wrightstown where you will find passes made out to each individual making the trip.

Thanking you and wishing you luck, I am

Sincerely,
